

# SAFETY POLICY

The effectiveness and success of Waco Kwikform Ltd ("Waco Kwikform") in Australia is dependent upon the people working within the Company. Ensuring the health and safety of workers is a priority duty in Waco Kwikform.

Waco Kwikform is committed to providing a safe working environment for all its employees, contractors, visitors and the general public throughout its hire and manufacturing businesses by maintaining and operating a Safety Management System which is third party accredited to comply with AS/NZS 4801: 2001 and safe systems of work in compliance with relevant Health and Safety legislation.

Waco Kwikform is committed to the continuous improvement of its Health and Safety policies, procedures and practices.

## Objectives:

In the discharge of this duty:

- Managers and supervisors will be responsible for the Health and Safety of people under their control
- Skilled and competent supervision will be provided for all work
- Information, instruction, training and supervision will be provided to workers to ensure conformance to Waco Kwikform, Legislative and Statutory standards
- All Legislative and Statutory Standards will be met
- All accidents and injuries will be recorded and reported
- An accident investigation system will be applied to identify causal factors and establish preventative and corrective action
- Inspection programs will be established for all work sites. All deficiencies will be reported and corrected
- Protective clothing and equipment will be provided and maintained for use in accordance with good practice and regulatory standards.
- The Company will comply with legislative requirements for the design, manufacture, control and supply of Waco Kwikform plant and equipment
- Safety communication will exist throughout the company and with the main contractor and, where applicable, Safety Committees will form part of Waco Kwikform's consultation process
- All workers will work with consideration of their own safety and the safety of others
- Resources will be applied to implement this policy.
